

# Long Term Care (LTC) Savings Success Stories

FAIRPAY Solutions offers clients a significant cost containment solution delivering compelling savings on long term care (LTC) bills. FAIRPAY provides substantial, quantifiable cost containment results on the Per Diem rate and all other services and supplies provided by LTC providers.

In reviewing and analyzing the financial aspects of a bill, FAIRPAY's seasoned team of specialists leverage supply and cost databases and our patent-pending pricing algorithms as well as our technology platform to achieve total stay savings for our clients.

FAIRPAY Solutions is proud to partner with clients to secure maximum savings through up-front LTC negotiation including those detailed in our savings success stories.

## Long Term Care Treatment at an Acute Care Facility

During FAIRPAY Solutions' negotiation of this LTC referral, the facility estimated total monthly charges would be \$210,000. FAIRPAY's experienced specialists obtained a signed Long Term Care Agreement (LTCA) from the provider for a monthly payment of \$57,000, saving our client \$153,000 each month. FAIRPAY's signed LTCA with this provider is expected to deliver savings of over \$3.6 million for our client during the estimated two year treatment plan for this patient.
